Children's clothing from newborns to 12 years old. We pay special attention and offer several product lines in the age range from 1 month to 4 years old.

Some of our brand favorites: our swimwear collection, which includes swimsuits, accessories and shirts. Our collection of cozy cotton that we call "homewear", clothing so comfortable that you can use it to take the baby out for a walk or as a pajama. We have three outerwear collections with sizes that ranges from 2 to 12 years old which are the *Casual Chic*, *Semievent* and *Event*.

**We use only premium quality materials, and we are always looking for the perfect balance both regarding design and comfort.**

Our company has a textile tradition of more than 100 years and currently can be found in more than 20 countries in department stores, boutiques, franchises and e-commerce.

# CdR Cecilia de Rafael®

We are manufacturing tights and hosiery for women and children since 1976, selling to 42 countries worldwide. All of our products are made in Italy 100%. We have two warehouses, located in Barcelona and Hong Kong.

We invest every year in the modern yarns and procedures to bring the best quality year by year.

We provide all the sizes and colors that a woman can use. That is the secret of our success, adapt the product to the market at the right moment.

# ATALAYE

BAIN DE BIARRITZ

Our men swimwear label is inspired by the city we live, Biarritz. We focus on quality wear made in EU.

Our products targets men aged from 25 to no age limit. We target premium multi-brand retailers, department stores, hotels and spas boutiques.

# SOWE

Biarritz

Sowe is a swimwear brand inspired by the love that the founder, Perrine, has for the Basque country and the ocean. After more than ten years working in international sports companies, Perrine chose to dedicate herself to a product that she likes and which followed her during many travels around the world.

Each swimsuit is unique because it offers you the possibility to *mix and match* creating your dream swimsuit, perfect for your silhouette and your personality!

Katxi Klothung is a clothing and accessories brand “Designed in BasKountry” made in an eco-friendly way and in organic cotton.

We work as much as possible with small local companies to customize the design of our products (sewing, printing, and embroidery).

**The Katxi Klothung project is to highlight the culture, roots, and lifestyle of the Basque Country while modernizing everything through trendy, offbeat and modern collections.**

We are mainly inspired by history, gastronomy, sports (surfing, Basque pelota...) and strong symbols of our region without falling into clichés.

# HOPAAL

With a low impact on the planet, Hopaal designs are surf-inspired recycled clothes. Our vibrant community understands that “the more we recycle, the less we destroy”.

Our close work with our suppliers and environmental non-profit organizations allows us a great transparency, sought by customers.

**From T-shirts to socks Hopaal offers a full range of product designed for everyday life.**

In the next months we will market rainwear and swimwear products. We support local ecosystems as well to set recycling programs; we focus on fishing nets to produce our own recycled buttons and accessories.

# Puro Arte®

Puro Arte it's 100% made in Spain. A t-shirt brand with unique and innovative designs. Puro Arte captures new trends without forgetting the men's basics.

**We provide a quick manufacturing and distribution response with a proven quality.**

Our customer is bold, fun, and original. He understands his style as a reflexion of his lifestyle.

We make our shirts with a unique personality, reflecting our way to enjoy life.

# SEVEN♥TEES®

Seventees was born from the desire to create cottons with character, versatility, and personality.

Seventees approaches a casual open minded woman, young at heart. The brand is very catchy and conceptual recalling the "seventies", a decade of musical and cultural boom.

Seventees is 100% made with love in Spain, respecting nature and human beings in all phases of production. All the garments have a handcraft dyeing process.

# ETXART & PANNO

Etxart & Panno was born in 1988 from the union of two fashion professionals. The industrialist Omar Etxart and the designer Emi Panno. From the first moment his designs are directed to a dynamic, daring, independent and sensual woman who seeks elegance, sophistication and femininity, authentic images of a woman who feels young and attractive.

Etxart & Panno is a spanish womenswear brand with 30 years in the market.

We dress women in really good quality garments from morning to evening events.

# KARNIT AHARONI

A luxury designer collection by Karnit Aharoni. Manufactured in France, using noble fabrics, exclusive embroideries, specialty prints knitwear and jacquards.

A collection of beautiful clothes with a global twist, a line of easy to wear, easy to manage, and right for all seasons pieces for her. The brand communicates it's mix of traditions and newness through timeless garments, drawing it's inspiration from men's clothing for strong independent and creative women. Each piece is created through unique selection of materials and precise pattern and design.

[www.karnitaharoni.com](http://www.karnitaharoni.com)

Pilar del Campo is one of the millennial reference on spanish fashion. Creating her own pieces on leather, the designer wants to make one more step, giving the millennial customer what they want: modern designs, with the best quality materials, adapted to the woman's body.

# ATELIER D'Ocon

Atelier Maria D'Ocon is a family business that began with a dream to create wearable art. We offer a variety of styles for special occasions such as the bridal shower or the rehearsal dinner.

**Each gown is a unique piece of craftsmanship, designed, and tailored in Barcelona and Miami. Our artistic mission is to offer elegance, quality, and innovation.**

We work by appointment to ensure our customers receive all the attention and the care they deserve.
