Expertise offer/Collaboration

- Our hospital specializes in Internal Medicine, Rheumatology and Geriatrics, as well as Neurology (specialized stroke unit), Surgery, Anesthesiology and Gastroenterology.
- We have a state-of-the-art **Clinical Nutrition Center** and an innovative **Lower Silesia Spasticity and Dystonia Treatment Center**, as well as an **Infectious Disease Center**.
- The Janusz Korczak Multispecialty **Pediatric Center** is intensively developing rehabilitation and child and adolescent psychiatry. A state-of-the-art child and **adolescent psychiatry center**, the largest in the region, with all three levels of reference, is currently under construction.

Thank you
